

SOUTH CHARLOTTE SPORTS REPORT

9901 ZACKERY AVE
CHARLOTTE, NC 28277

Dear Park Sharon Athletic Association Family,

The South Charlotte Sports Report is very excited to continue our photography relationship with Park Sharon Athletic Association. The PSAA members have been outstanding supporters of The South Charlotte Sports Report since our inception in 2006. We have featured many of your athletes and teams in our newspaper and we look forward to expanding that coverage to include even more in the future!

This season we are offering a wide range of sports photographs of your children. Each team will hold their photo session prior to an upcoming game or practice. The photography schedule follows this letter.

Also enclosed you will find a display sheet of our many products and the order form. You may complete the order form in advance or fill out one of our forms the day of the photo shoot. If you have any questions about the items we are offering, please don't hesitate to give me a call or send an email. We have placed a strong focus on offering higher quality photographs than the industry standard. We also offer unique products such as triple image action posters and pro-design trading cards. Our # 1 goal is customer satisfaction, so your questions always come first with us.

Please look for our tent upon arrival. Baseball photos will be on the track and soccer photos on the Smithfield Elementary soccer field.

Your photo orders will be shipped directly to your home in the next three weeks. We appreciate your support of The South Charlotte Sports Report and our efforts to deliver quality photographs at an affordable price.

Thanks Again,

Tripp Roakes
