9901 ZACKERY AVE
CHARLOTTE, NC 28277

Dear Park Sharon Athletic Association Family,

The South Charlotte Sports Report is very excited to begin a photography relationship with The Park Sharon Athletic Association this season. Park Sharon and its members have been outstanding supporters of The South Charlotte Sports Report since our inception in 2006. We have featured many of your athletes and teams in our newspaper and we look forward to expanding that coverage to include even more in the future!

This fall we are offering a wide range of sports photographs of your children. Each team will hold their photo session prior to an upcoming game or practice. The photography schedule follows this letter.

Also enclosed you will find a display sheet of our many products and the order form. You may complete the order form in advance or fill out one of our forms the day of the photo shoot. If you have any questions about the items we are offering, please don't hesitate to give me a call or send an email. We have placed a strong focus on offering higher quality photographs than the industry standard. We also offer unique products such as triple image action posters, pro-design trading cards and "Fat-Headz" style wall decals. Our # 1 goal is customer satisfaction, so your questions always come first with us.

In addition to our sponsorship of Park Sharon Athletic Association, a portion of all photo proceeds will be returned to the organization to assist in the continued growth of the program.

Please look for the red tent upon arrival at the ballpark!

Your photo orders will be shipped directly to your home in the next two-three weeks. We appreciate your support of The South Charlotte Sports Report and our efforts to deliver quality photographs at an affordable price.

Thanks Again,

Tripp Roakes

The schedule for team and individual photographs is listed below.

Here are some pointers to insure we stay on time and move your team to their game on time. We will have a multitude of South Charlotte Sports Report staff members at the tent to help the day run smooth. The biggest key is to arrive on time, early. It's ok to be early as well.

- *Upon arrival at our tent, order forms will be at the table or you may turn in a pre-completed order form.*
- *If you arrive early, please make your way to the tent and we can work ahead of the schedule.*
- *We will photograph the players upon arrival. Please have your shirts tucked in. Once all players have been photographed, please group together for the team photograph.*
